**TO DO** from page 1

the exquisite array of roses while enjoying a picnic lunch...there is always much to do.

Our bowling team travels weekly to Brunswick Lanes for a fun afternoon and is always looking for new members. The new Men's Group holds monthly luncheons that host guest speakers, brewery tours and sports events to name a few. In-house offerings include a variety of craft classes, musical entertainment, Friday evening cordials and conversation with friends and trivia. Noodle/Balloon Volleyball has become a fun fitness activity that our residents look forward to as well as Choraleers, whose members love singing.

Whether spending time outdoors on an out trip or taking part in an in-house activity, keeping socially active will benefit your overall well-being in a positive way. Living at The Orchards gives everyone the opportunity to try something that they've always longed to do. So let's get involved and take an active part in The Orchards' community – where there is so much to offer!
