their skills and talents with others. The Orchards Expo is positively a rewarding event.

Our new Executive Chef Claribel Fraser has some special plans for the week so stay tuned. And we can't forget the conclusion of the week with our Annual Family Picnic on Saturday, Sept. 16, from 11:30 a.m. until 2:30 p.m. Residents and family enjoy an afternoon of fun, entertainment and great food! Singer and recording artist Jose Paulo will be here to entertain us with a Hawaiian theme program along with a Hawaiian dancer. Our favorite, Valentine the Clown, will also return to entertain young and old alike with her zany antics.

So save the date! We hope to see you there!

'Family is Forever' at The Orchards

National Assisted Living Week 2017 is Sept. 10 - 16 with this year's theme, "Family is Forever."

How true at The Orchards. Almost immediately a unique bond is established between our residents and those who work and volunteer in our community. The Orchards' dedicated staff supports our residents with their care needs and consider themselves valued friends. Residents feel comfortable with seeing the same familiar faces regularly. They have a wealth of knowledge to share in their past experiences. These bonds develop into an attachment where staff and residents

together feel like family. Time with them is not only valuable but is highly enjoyable too!

A sincere thank you to all our Orchards residents for making our job extremely rewarding and fulfilling. Family is most definitely forever at The Orchards!

During National Assisted Living Week we have a number of events and programs to celebrate the week. We will begin the week with some special visitors that we truly believe our residents will love. We continue with our "Orchards Family Exposition" which gives our residents an opportunity to share
