

Hello Friends,

I wanted to let you know of a wonderful event happening at Southington Care Center on Monday, December 3, 2018 at 6:30pm. We will be joining with our sister communities The Orchards and Mulberry Gardens marking our event “Light the World”. This event will be designed to bring together those who wish to remember loved ones who may have passed and pray for those who currently have a need. We will come together in peace and hope to celebrate those whom we love, as we light the thousands of lights that will engulf Southington Care Center. There will be special music and a presentation to someone who lights the world with their care and compassion. Mark your calendars now and plan to be here.

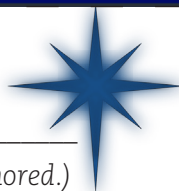

You can be a part of this wonderful event. We will be providing luminaries with the name of your loved one printed on them. They will line our driveway and sidewalks that evening and all are invited to participate. There is a suggested donation for the luminaries with proceeds going to the Pastoral Care Program at Southington Care. This will help provide ongoing spiritual care and needed materials for our residents. However no one will be refused for lack of funds.

Please take a moment to fill in the form below and return it to Southington Care Center with your check if you can by November 23, 2018.

As we enter this season of thankfulness and peace, I ask that the Lord give you a heart full of His Grace and Mercy.

Blessings,
Rev. Victoria Triano
