

Dear Senior Center partner:

As we emerge from the pandemic, Hartford HealthCare and CarePartners of Connecticut want to recognize the incredible resiliency of our seniors!

Through 18 months of uncertainty and fear, members and participants in your Senior Center were beacons of hope and health, as the entire world confronted COVID-19.

We would like you to **NOMINATE** one senior in any one of the following three categories for recognition at a special event we are planning at Hartford HealthCare’s Wellness Lounge at Westfarms shopping mall in Farmington on September 10 at 10 am. Please tell us just a little bit about what makes your nominee so special, and your senior will be celebrated along with others across the state.

Nomination Categories

Please check ONE:

- CREATIVITY:** Develops and works on unique talents to make her or his life more fulfilling, and joyfully shares this with others.
- VOLUNTEERISM:** Unselfishly gives of her or his own time to improve the quality of life of others, through individual or group activity.
- FITNESS:** Is a role model for health, vitality and wellbeing — overcoming any barriers posed by age or physical condition.
