## PROCEEDS

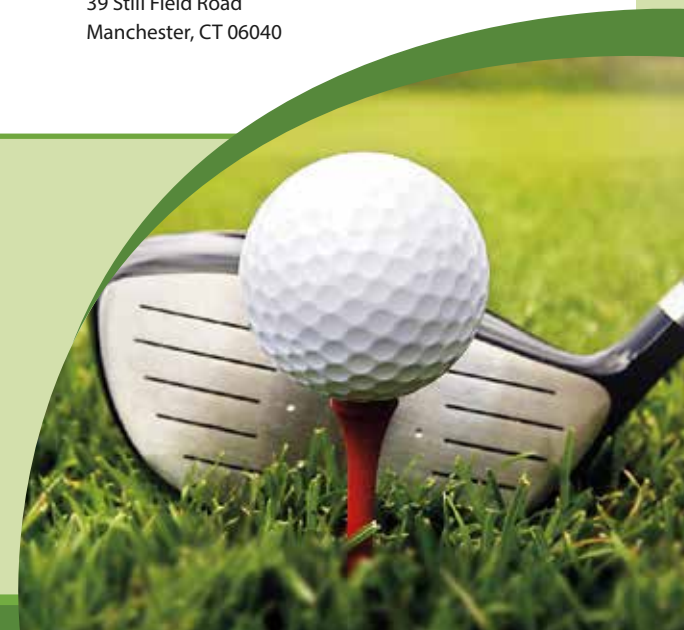

With the proceeds of The 2016 Steve McCarty Memorial Golf Tournament, the McCarty family created The Donna and Steve McCarty Fund. The Fund made possible The Waterfall in Southington Care Center's Healing Garden, dedicated in September of 2016.

Funds from this year's tournament are designated for Southington Care Center's Tranquill Passages palliative care program and for The First Tee Connecticut.

Opened in 1990, Southington Care Center (SCC) is a 130-bed skilled nursing community, specializing in short-term rehabilitation, outpatient rehabilitation, senior fitness, end of life care, and long-term

care. The Tranquill Passages program provides holistic care which embraces the mind, body and spiritual needs of residents, patients, families, and staff. The First Tee of Connecticut is a youth development organization whose mission is to impact the lives of young people by providing educational programs that build character, instill life-enhancing values and promote healthy choices through the game of golf.
